Subject: Tax Office Special Inventory Tax Fund Review

Scheduled as part of our statutory requirements, the Risk Evaluation and Consulting Division (REC) of the Travis County Auditor's Office has completed a review of the Tax Office Special Inventory Tax Fund. We conducted our review in accordance with the applicable statutes governing the County Auditor's Office, and those relating to County financial and accounting protocols. As a result of our review, we are providing this report detailing our findings and recommendations.

BACKGROUND

The Travis County Tax Office is responsible for a variety of state, county, and city services. Included in these services is the Special Inventory Tax (SIT). Motor Vehicle dealers are required to submit annually a declaration form and monthly a tax statement to the Tax Office. In addition to the tax statement and declaration form dealers are required to submit tax payments based on the number of vehicles sold during the year. If a dealer fails to submit, in a timely manner, either the declaration form or the tax statement, the dealer is subject to penalties.

The Tax Office is responsible for ensuring motor vehicle dealers remit their estimated property taxes due on their automotive inventories each month. The Tax Office collects the monthly estimated property taxes and holds the funds in an escrow account. At the end of the year the Tax Office determine the annual balance due and pays the annual property tax due from the escrow account. Per the Tax Code, Chapter 23, the interest earned on these escrow funds and the penalties collected are to be transferred into and accounted for in a special revenue fund maintained by the Tax Office. These funds are only to be used to defray the cost of the administration of the SIT program.

METHODOLOGY

Our review methodology was based on applying sampling procedures to office records and on verbal and written representations from the Tax Office. Sampling relates to examining, on a test basis, evidence supporting the amounts and disclosures in the financial records and statements. The use of sampling techniques would not necessarily disclose all matters in the SIT Fund financial statements, records, and controls that might signify material weaknesses or misstatements. Regarding the written and verbal representations made by the Tax Office, unless otherwise noted in this report, office management maintains that the assertions we relied upon in the examination were correct to the best of their knowledge.

SCOPE

This review scope included an assessment of the adequacy and effectiveness of the overall system of financial controls in place for the Tax Office's Special Inventory Tax Fund during the period October 1, 2020 to September 30, 2021. This review included examinations of the overall internal controls in place for revenues, disbursements, and reporting.

SUMMARY OF FINDINGS

No significant findings were noted during this review.

ATTACHMENT

Copies of this office's financial statements for September 30, 2021, are provided in Attachment A. These statements include a detailed statement of revenues, expenditures and changes in fund balance, and a balance sheet for the special revenue fund. The purpose of presenting these statements is to provide feedback to Travis County officials. These financial statements have not been audited by Travis County's external auditors.
